170 responses

7 bis - What other solution

27 responses

I'm wondering

prevenir les gens

Jamais

You report the site that publish it.

Maybe to try to informate someone

you can just google it dude

you report the fake news

You tell your relatives that it was a fake and tell them the truth

Sometimes I written it into the comments, that this is wrong

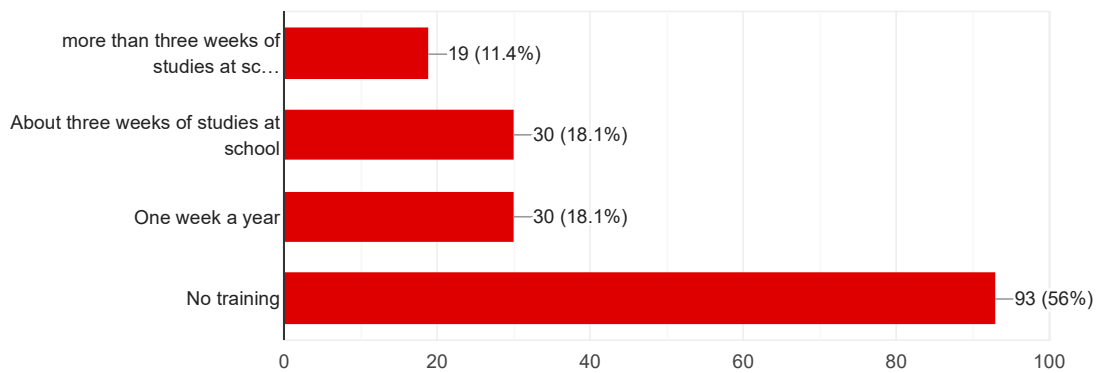

Questions Responses 171

- ... report the fake news, since it is a newspaper in which case you can do much better than trying to get to the government.
- ask if the information is just right
- Don't read the media
- You start exercising on how to recognize them in cooperation with your teachers at school
- we have to block fake news
- you have to block the fack new
- denounce them

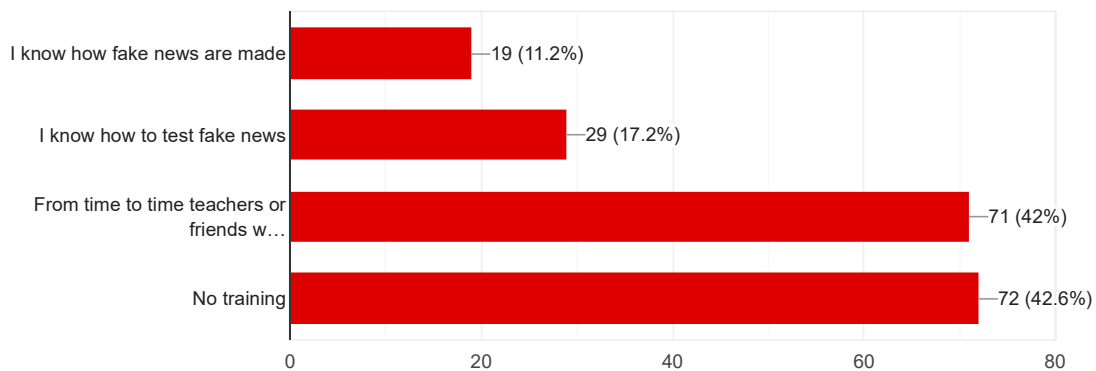

8 - How are you trained in the media in the classroom ?

166 responses

9 - How are you trained on Fake news in class ?

169 responses

10 bis - Other expectation

16 responses

It is necessary to talk about it.

les Crees

to unite our efforts in this area

i expect from them to open a webside where all the fake news are getting listed

to speak english with other people so i can improve my english

To gain experience with other people

To have fun with other peoples working on a project. And also to improve my English.

to have less and less fake new
