Explainity video

- ☀ In this format an app (*mysimpleshow*) is used to talk about a topic with illustrations.
- ☀ If you type into the app what you want to say, the app will give you some illustrations.
- ☀ The app can also read your text out loud.
- ☀ You can also insert your own illustrations and voices.

Roles for Explainity video:

- Principal Editor
- Illustrator (1-2)
- Narrator (1 or 2)

Stopmotion

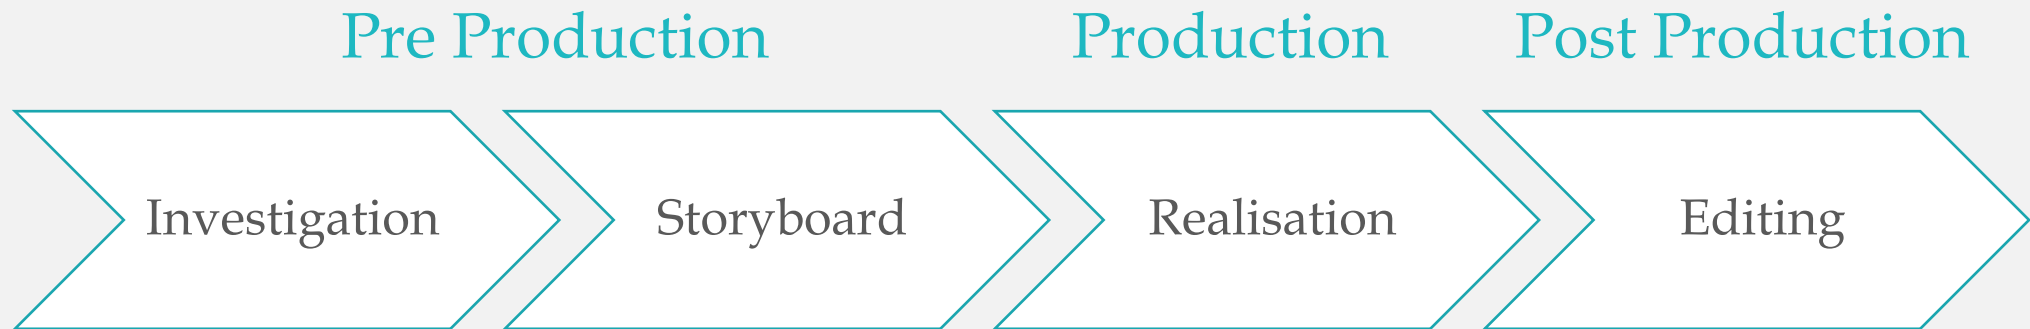

- 🎬 In this format objects and text are used to tell a story or to talk about a topic.
- 🎬 Often Playmobil or Lego figures are used, or you might know famous examples with play dough or papers.
- 🎬 But also for food videos this format is often chosen.

Roles for Stopmotion:

- Camera
- Set designer (1-2)
- Light director
- Narrators (1-2)
